THIHE complete PLANT OF LAUNDRY MACHINERY that formerly belonged to the Hengkong Steam Laundry Company Makers-Manlove, Alliot & Co.), and the plant of Laundry Machinery that formerly belonged to the Victor Emanul (it was fitted up in her by the Government for the Ashantee War. Makors --Thomas Bradford & Co. All this Machinery has only been a short time in use, and has been well cared for; it is as good as new, and would be very suitable for a Public Laundry, where a large amount of washing is to be done. Both Laundries combined make a very powerful washing plant. They are fitted with two of Washington Lyon's Putent Steam Disinfectors, so that whilst the washing process is going on, with a pressure of 20 lbs. of steam they produce a temperature of R. M. Gray, Esq. 260°, which destroys the germs of all disease and H. Hoppins, Esq. all forms of insect life, and at the sume time the H. H. Joseph, Eaq. most delicate colours and fabrics in silk, woollen, or cotton materials are not in the least affected or damaged by this process of disinfecting and

A STEAM LAUNCH, built of Teak Wood, Copper fastened and Sheeted with Muntz Metal; is about 2 years old and is good as new length 50 feet, beam 10 feet, depth of hold 5 feet. Fitted with a Compound Tandem Engine and Superheater, the Oylinders are 6" and 10 in diameter and II" stroke. A Multitubular Boller 5 feet 6" long and 3 feet 8" in dismeter. with a speed of about 8 knots per hour. This Launch is a well fluished handsome house or pleasure boat. CONOLUSION OF THE ENQUIRY. The Caroner's enquiry into the circumstances attending the death of Mr. H. V. Cox, of the Hongkone Dispensory, was concluded on Satur. day at the Magistracy by Mr. H. E. Wodehouse. Dr. Lowson and Dr. James have consulted me The following additional evidence was adduced:but that the inflummation of the brain, from which ling no sufficient force of water to carry it away the question is—are they to rule us or we he was suffering, might have induced de the danger of more houses being conceased to take prissle acid in small quantities hected with the separate sewers that we have a sed tive, and it is possible he may much to fear.—I am, sir, you've faithfully. acknowledged to be of the utmost importance to accidentally have taken an overdose. A man in the welfare of the Colony and passed year, ago, his state might have measured out more than one does forgetling that he had done so. When been dead letters, and the laws a subject of I saw the body it presented appearances of ridicale, from which we are now suffering the prassic soid poisoning. From the state in which decreased's brain was, I should say he must have suffered from soute headache. It is not always

easy to accurately measure doses from such a drop glass as the one produced. A. P. Nobbs said : - I have heard deceased complain of headache, but he did not on the night that he died. He and Mr. Allen, who is now which all the medical professors in the Colony suffering from the plague, were friends, but have no reason whatever for associating deceased's death with Mr. Allen's illness From what I knew of Mr. Cox and all the surround ings of the case. I am of the opinion that his death was the result of an accident. His Worship returned the following verdict-That the deceased died from the effects of an overdose of prossic acid self administered, but whether accidentally or with the intention of committing saidide there is not sufficient avi dence to definitely decide. The Magistrate further fluds that at the time of taking the poison

to not hold outselver respondible for the opin outprovided by our Correspondents: THE SEPARATE SYSTEM OF TO THE EDITOR OF THE "DATES PRINES."

BIR. I agree wenerally with the views ex-

prossed in your article of this morning, but you

may allow me to differ from your statement that

we have had practically nothing in the shape

of actual proof of its the new system of drain-

lage breakdown." I have lived twenty years in the Colony, in various parts of the town, and I never knew fill regent years of anything like the number of choked and broken drains that we have now. I have experience of one lot of houses whore the drains worked perfectly and were quite free from smells for years, but as soon as and ever since, they were relaid on Mr. Cooper's plan and with his small pipes, they have been contionally choked and at almost all, times give forth very bad smells. I am confident many others height of three tubles pled on one mother when could give like evidence. You seem to think it possible that when more houses are connected with the new system the wil may decrouse. With all respect I may be permitted to remark that his ribs. The poor fellow died the next marning. this seems to me a very extraordinary idea. To my mind it appears self-evidant that every passing through one of the streets in the city additional house drained on Mr. Cooper's plans on Sanday last, late at night, was accosted by and connected with the separate sewers must necessarily inorgase the evil. Two choked pr broken drains must savely be worse then one, and the rowdy crowd were to no humone to be in taras the blocking of one lends to the blocking of others, the evil will increase in geometrical proportion should we be mad enough to allow the now system to be persisted in. The authorities Dr. J. P. Jordan said :- I assisted in holding unfortunately men who have no permanent a post mortem examination on the body of the interest in the Colony, in their infatnated Saturday, June 30th, and in what they have said decessed. In my opinion death resulted from desire to resist public opinion, often from pure Lentirely concur. Dr. Horder, in his remarks at prussic soid poisoning. That conclusion I are oussedness, will probably endeavour to force the meeting of medical men in the Council rived at from the external appearance of the now houses to be drained into the separate off. Echo. Chamber lately, said distinctly that the trouble body, general congestion of the intestines, and sewers and the result will be periodical epidemics. at Pakhoi was from the outlying villages, where the strong small of prassic acids. I could not, of typhold fever and other drain diseases. The the plague was continually breaking out and it form any opinion as to the quantity of acid, nay main sewers, laid at such an enormous was over and over spain brought into Pakhoi taken nor how soon death ensued after the expense, and probably, owing to the squeeze byspoison was taken. Deceased's sploen was slightly tem, made with as defective material and the enlarged, and there was a distinct patch of work as much seamped as the rouds are, received per E, and A steamer Guthrie, which possessions clean and in good order, and now is inflimitation of the membrane of the brain, only a portion of the sewage which is supposed our opportunity to make all the necessary or which was adhering to the skull. There were not to flow into them; the remainder is daily souking rangements and to specially enforce them. Cer. traces of atomical in the stomach. The poison into the sub-soil. Of what they do receive a tainly many things will not be approved by the could not have been taken while dressed was in great portion of the solid matter is remaining in Chinese that are absolutely necessary, and a state of intoxication. They are of The largest coal mines in Pennsylvania, which opinion that it would be useless to all have then closed for some time past on account tempt to introduce frozen ment unless preof the strike, are to be re-opened with non-union per provision were made for the establishlabour. The men will be protected by cordons ment of cool storage, accommodation for its reception on arrival, and for an efficient system The miners on strikes at Cripple Creek, of thawing prior to its being placed on Colorado, have yielded up their arms to the the market for sale. The demand for the best classes of meat is of the smallest, being confined to those who can afford to pay more for it than A cablegram received from New York states is paid for a medium class article, in which the that the miners on strike in Ohio, Pennsylvania, principal business would be done for price, not Indiana, and Illinois will resume work on Mon- | quality, is an important consideration with the mass of probable oustomers. Should a frezen ment trade be firmly established at Colombo. Messrs. Row and Kelly think it may possibly Mr. Robert Louis Stavenson has written a gradually extend to Calentta and other ports in letter to the Times upon the affairs of Samon. India, but at present there is not a sufficiently

He accuses the Consula representing the large demand at Calcutta to justify the expendiwho infringed the torder issued by the Chief of the troops in India being supplied with frozen tain a local supply of fresh; meat, which would Mr. Stevenson claims an amnusty for the rebel cost less than the frozen article could be supplied ohief Matast, and his adherents, who were de- l for. Moreover, the difficulties of transport in ported to another group in the Pacific at the India and storage were considered insuperable. THE BRITISH LABOUR COMMISSION. LONDON, 11th June.

The Duke of Devoushire and several members the extremists in Gormany to accept the pro- of the Labour Commission have issued a suppleposal for a protectorate under New Zealand, on mentary report. They propose that the trades condition that equal treatment should be accorded | unions and the masters' associations should be registered as corporate bodies, and that trade disputes should be settled by legal proceedings

THE NATIVE B SING I THE TRANSVAAL. LONDON. 11th June. It was announced last month that a native chief named Malabach was arming his man and fortifying his camp in the mountains in Zoutpunsberg, the most northerly district of the Transvaal, and that General Joubert, the commandant general of the South African Republic, had proceeded to the locality. According to the lutest intelligence to hand, Malabach is now

A COUP DETAIT IN PARAGUAY. LONDON, 11th June. A coup d'etat has taken place in the Republic of Paraguay, South America. Dr. Maringo has been appointed President.

AGRARIAN OUTRAGE IN IRELAND. London, 11th June. An agrarian outrige has been perpetrated more Nonagh, in Pipperary, Two man were H. Brick & Coment TAXATON IN BELGIUM.

LONDON, 11th June, The new Caston's duties imposed in Belgium H. H. L. Trainwayare provoking an outburst of dissatisfaction Hongkong law... amongst the population. LONDON, 12th June. It is stated that as the result of a great demonstration held in Antworp against the new Chitoms duties proposed to be levied by the Belgian Government and also owing to the fact of the Opposition refusing to attend in their

places in the Chamber . £ Deputies, the Government has decided to withdraw the Shipping Dues Bill. It will also modify the duties on foreign produce. 🥈 A PAPAL ENCYCLICAL. LUNDON, 13th June.

It is reported that the Pope of Rome will shortly issue an Ecoyolical inviting Anglican prelates to recognise his jurisdiction. ANOTHER ROYAL BETROTHAL LONDON, 18th June. The World announces that Prince Christian,

eldest son of the Grown Prince of Denmark, is about to betrothed to a daughter of the Prince and Princess of Wales. THE PACIFIC MAIL AND CABLE SUBSIDIES.

LONDON, 14th June. Several members of both the House of Lords and the House of Commons are significa memerial arging the Imperial Government not to steamship service or to the proposed Pacific cable, unless the oilonies agree to pay a share of the cost of the Imperial navy.

FORGED BASK NOTES IN GRRMANY LONDON, 11th June. Some extensive forgeries of bank notes were recently discovered in Garmany. The police Wa son vita, 4.5. have ascertained that 25,000 forced 25 notes

have been sent to England from Germany: LONDON, 21st June. Forged notes on the Bank of England to the value of £25,000 have been received at the head This year's New Malwa \$640 office of the Bank in London and denonced as Lust year's New Malwa: \$660 tion in Germany.

Hongkong, 4th July, 1894. NOW, ON SALE.

IMPERIAL QUARTO. TNGLISH AND CHINES DICTIONARY. WITH THE PUSTI AND MANDARIN PRONUNCIATION. An Anglo-Chinese Dictionary, published at the

Daily Press Office, Hongkong. For comprehensiveness and practical service this Work stands unrivalled. All the new CITY OF PERING (via Na.) WEDNESDAY, July words which the Chinese have of latey ears been gasaki, Kobo, Inland 11 at 1 P.M. words which the Chinese have of latey ears been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given in extense. Each and every word is fully illustrated and explained, forming exercises for students of a most instructive nature. Both the Court and Punti pronunciations are given the accents being carefully marked on the best principle hitherto attained. The typography displays the success of an attempt to make the Chinese and English type correspond in the size of body, thereby effecting a vast economy of space, achieving a clearness not previously INLAND SEA; and YOKOHAMA, on WED. attained, and dispensing with those vast margius NESDAY, the 11th JULY, at I P.M., taking terized Chinese publications.

To flustrate the vast scope of the work the following facts are submitted for consideration:-Chalmers Vocabulary contains about 16,000 Chinese characters, and Medhurst's English and Chinese Dictionary about 100,000, whilst journey at any point en soute. this work contains more than 50,000 English words, and upwards of 600,000 Chinese charactors. Again, despite all the grammars and other elementary works as yet published, the the United States or Canada. Rates may be obstudent of this difficult language absolutely requires examples to display the various appli-cations and equivalents of different words which have one general meaning. Of these examples SUROPE have the choice of Overland Rail this work contains more than five times as routes from San Francisco, including the many as any other Dictionary hitherto pub. Southern Pacific. Central Pacific,

the work is so complete, that a reference to its CANADIAN PACIFIC RAILWAY on payment of pages enables a person who understands English \$10.00 Gold in addition to the regular tariff rate.

to communicate effectively with natives who . understand nothing but Chinese. In this respect the work will be found indispensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which very few indeed of them are perfectly acquainted To parties resident in England and interested in China it cannot but be invaluable occasion-

It comprises upwards of two thousand large on application. 4 Vols. IMPERIAL QUAUTO, Price, \$20. A Large REDUCTION in PRICE is made to Purchasers of SIX or more Copies.
